## #1

15 mins Warm-Up Dribble:

Divide your team in half with each team starting on their own half of the field. Each player with their own ball. Start by dribbling in their half and listening for the commands: switch-players leave their ball and get another players ball from their half of the field.

**Version 2:** Coach yells switch fields and the players must dribble their ball to the other teams field.

#### **Soccer Horseshoes:**

#2

15 mins Players get in pairs with one ball. Two cones 10 yards apart. Pairs set up across from each other with the balls starting on the same side. Duplicate this set up with 2 pairs occupying each set up. The first player passes the ball across and tries to weight the pass so it stops close to the far cone. Their teammate (standing by the far cone) can touch it once to guide it towards the cone.

- The ball must be moving when the other player tries to guide it
- Other team goes and tries to get their ball closer to the cone
- Ball can be knocked away by second ball

#### **Soccer Golf**

mins

Each player with a ball. Set up your first golf hole with cone or flags. Players start from the same area and have to get the ball between the cones in as few kicks as possible. Take turns teeing off.
